(1) On September 29, 2017, the Company spun-off Hamilton Beach Brands Holding Company ("HBBHC", ticker symbol HBB), a former wholly owned subsidiary. The financial position, results of operations and cash flows of HBBHC are only reflected as discontinued operations for 2016 and 2017.

(2) Cash flow before financing activities is equal to net cash provided by (used for) operating activities plus net cash provided by (used for) investing activities.

(3) Return on equity is equal to the sum of the previous 4 quarters net income divided by average equity calculated over the last 5 quarters.

(4) Total debt presented excludes the obligations of the unconsolidated mines. The unconsolidated mines' customers arrange and guarantee the financing of the unconsolidated mines. These obligations are without recourse to and are not guaranteed by North American Coal or NACCO. The unconsolidated mines are not consolidated in periods after December 31, 2002, since NACCO and North American Coal are not the primary beneficiaries.

(5) The fourth quarter of 2014 included a non-cash impairment charge of \$105.1 million with respect to its Centennial mining operations.

(6) The third quarter of 2016 included an impairment charge of \$17.4 million with respect to its Centennial mining operations.

**The North American Coal Corporation**  
 (in thousands, except percentage data, tons of coal delivered and limerock yards delivered)

- (1) Cash flow before financing activities is equal to net cash provided by (used for) operating activities plus net cash provided by (used for) investing activities.
- (2) Total debt presented excludes the obligations of the unconsolidated mines. The unconsolidated mines' customers arrange and guarantee the financing of the unconsolidated mines. These obligations are without recourse to and are not guaranteed by North American Coal or NACCO. The unconsolidated mines are not consolidated in periods after December 31, 2002, since NACCO and North American Coal are not the primary beneficiaries.
- (3) The fourth quarter of 2014 included a non-cash impairment charge of \$105.1 million with respect to its Centennial mining operations.
- (4) The third quarter of 2016 included an impairment charge of \$17.4 million with respect to its Centennial mining operations.
