The call will also be broadcast live and available for replay over the Internet. To access, go to www.nacco.com or www.ccbn.com . Please allow 15 minutes to register, download and install any necessary software.

NACCO Industries, Inc. is an operating holding company with three principal businesses: lift trucks, housewares and lignite mining. NACCO Materials Handling Group designs, engineers, manufactures and sells a full line of lift trucks and replacement parts marketed worldwide under the Hyster(R) and Yale(R) brand names. NACCO Housewares Group consists of Hamilton Beach*Proctor-Silex, Inc., a leading manufacturer and marketer of small electric motor and heat-driven household appliances as well as commercial products for restaurants, bars and hotels, and The Kitchen Collection, Inc., a national specialty retailer of brand-name kitchenware, small electrical appliances and related accessories. The North American Coal Corporation mines and markets lignite primarily as fuel for power providers.
