This call will also be broadcast live and available for replay over the Internet. To access the call, go to www.nacco.com. Please allow 15 minutes to register, download and install any necessary software.

About NACCO Industries, Inc.

NACCO Industries, Inc. is the public holding company for The North American Coal Corporation. North American Coal operates surface mines that supply coal primarily to power generation companies under long-term contracts, and provides other value-added services to natural resource companies. In addition, its North American Mining business operates and maintains draglines and other equipment under contracts with sellers of aggregates. North American Coal's service-based business model aligns its operating goals with customers' objectives. For more information about NACCO Industries, visit the Company's website at www.nacco.com.
