### **About NACCO Industries, Inc.**

NACCO Industries, Inc.® is the public holding company for The North American Coal Corporation®. The Company and its affiliates operate in the mining and natural resources industries through three operating segments: Coal Mining, North American Mining and Minerals Management. The Coal Mining segment operates surface coal mines under long-term contracts with power generation companies and activated carbon producers pursuant to a service-based business model. The North American Mining segment provides value-added contract mining and other services for producers of aggregates, lithium and other minerals. The Minerals Management segment promotes the development of the Company's oil, gas and coal reserves, generating income primarily from royalty-based lease payments from third parties. In addition, the Company has launched a new business providing stream and wetland mitigation solutions.
