# Non-GAAP Disclosure

The following definitions are provided for non-GAAP (Generally Accepted Accounting Principles) measures, as defined in Regulation G promulgated by the Securities and Exchange Commission, used by the Company within various public presentations. The tables below reflect the reconciliation of NACCO's non-GAAP financial information to the most directly comparable GAAP measures. The company believes that these non-GAAP financial measures, viewed in addition to the company's reported GAAP results, provide useful information and greater transparency to investors. These non-GAAP financial measures are in addition to, and not a substitute for, or superior to, measures of financial performance prepared in accordance with GAAP. Other companies may define the measures differently.

NACCO defines non-GAAP measures as follows:

- Consolidated Adjusted EBITDA is net income (loss) before long-lived asset impairment charges, contract termination settlements and income taxes, plus net interest expense and depreciation, depletion and amortization expense; and
- Segment Adjusted EBITDA is segment operating profit (loss) before long-lived asset impairment charges, contract termination settlements plus depreciation, depletion and amortization expense.
